COVID-19 Warning

We have taken enhanced health and safety measures—for Guests, Team Members, & Vendors. You must follow all posted instructions while on premises of Miss Shirley's Cafe. An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the Centers for Disease Control and Prevention, senior citizens and Guests with underlying medical conditions are especially vulnerable. While on premises of Miss Shirley's Cafe you voluntarily assume all risks related to exposure to COVID-19. Help keep each other healthy.

* Consuming raw or undercooked animal foods may increase your risk of a foodborne illness, especially if you have certain medical conditions. Consult your physician or public health officer for further information.
• Please speak to the manager regarding any known food allergies prior to ordering. Miss Shirley's Cafe will use reasonable efforts to prevent the introduction of the allergen of concern into the food through close attention during our sourcing, preparation and handling processes. However, it is ultimately up to the guest to use his or her individual discretion to make an informed choice regarding whether to order any particular items. Miss Shirley's Cafe cannot guarantee that allergens may not have been introduced during another stage of the food chain process or, even inadvertently, during preparation. We do not have separate kitchens to prepare allergen-free items or separate dining areas for guests with allergies or intolerances.
